Since packages has been removed, you have to load CI packages.

Works is still needed

After rummaging for a while, we (Sean & I) did not find a single clue about where the report tool might be.

Any pointer ?

Resolved (Fix Review Needed) and assigned to Camillo Bruni by Camillo Bruni

Mon Sep 09 2013

Status changed from 'Work Needed' to 'Resolved (Fix Review Needed)'.

I thought it is [here](http://smalltalkhub.com/#!/~Pharo/ci), no?

Reactivated (assigned to Everyone) by Benjamin Van Ryseghem

Mon Sep 09 2013

Status changed from 'Resolved (Fix Review Needed)' to 'Work Needed'.

We checked this repo, but do you have a particular package in mind ?

We tried some, but we did find it :s
